ABOUT ME

I am a WordPress Developer passionate about creating responsive and stylish websites. I enjoy working on designs that are both functional and visually appealing, ensuring a great user experience. Along with WordPress, I have a basic understanding of coding languages like HTML, CSS, JavaScript, and PHP, which helps me add custom features when needed. I am eager to learn, grow, and take on exciting challenges to improve my skills and deliver quality websites.

WORK EXPERIENCE

WORDPRESS DEVELOPER INTERN   July,2024
GAO TECH
